\$80.00 per person for weekly game and two men's Association tournaments during the season (May 19th & July 29th), to be paid out in golf shop credit. \$45.00 for the cash payout. **\$125.00 total for the season**

Teams

4 Person teams A, B, C, & D handicap on each team. 1st Half Teams will be blind drawn on Wednesday, May 9th, with team play to start May 16th. 2nd Half Teams will be drawn on Wednesday, July 4th, with play to begin July 18th.

Format

9 Hole stroke play using a Stableford Scoring System, alternating 9's each week. Play can take place at anytime on Wednesday whether it is a regular round or during the men's game at noon. You must play with a least one other player from another team or with someone with a handicap.

- The 2 best net scores on each hole will be used for team score using the Stableford Scoring System.

If you do not meet the required criteria for the week you will receive a dog score for the missing player or players. The dog score will be -9 points for players missing. This is the max score a person could get if playing. Please support your team and play on Wednesday's as much as you can. Once again you can play your nine holes at any time on Wednesday. **We will look at the possibility of adding substitutes for teams that are missing players each week for 2018 league play.**
