### Looking Ahead:

March 4- Dinner Murder Mystery 6-  
8:30pm  
RSVP today

### Bar and Restaurant News

Thank you all for your support this holiday season. We had a lot of great parties and events.

As we slow down and enter the cold winter months, please come out to enjoy your club and support the bar and restaurant. If you have an event, birthday, or anniversary we would love to book your party here.

We will have a trivia night once a month beginning Friday, January 13 at 7 pm. Build a team of 2-6 people and RSVP today. We will have multiple categories with easy to difficult questions and great prizes for the top teams. This is an adult-only event. Join early if you want to eat dinner before trivia begins.

Our Super Bowl party will be held on Sunday, February 12th with the game at 4:30. We will provide chicken wings, and chips with queso. We would like to ask everyone to bring an appetizer to share (Potluck style.) Keep an eye out for emails as we provide more details then.

~ Becky Marnell

### From the Office

Due to the ever-increasing cost of food, we have decided to increase Food and Beverage Minimums for 2023. Golf membership minimums are increasing by \$10 per month and Social membership minimums are increasing by \$15 per quarter. Please come out and support the club and more importantly our food and beverage staff during these winter months and you will never see a minimum on your statement. We are not raising dues at this time, but expect to have an increase later this year, or in 2024. We thank you for your support.

### Annual Dues

There is still time to pay your Annual Dues for 2023. Pay your annual dues in January and get a 5% discount. Give us a call in the office if you still want to take advantage of this offer.

~ Austin Ingram

**Course News**

Thank you to all who help keep an eye on our course to keep it safe and beautiful.

If you see a snow mobile driving up and down the fairways and rough- this is our crew! We are packing down the snow to keep the moisture on the course and not let it blow away in the Wyoming winds!

Stay safe and warm.

**Golf Shop News**

Dear Paradise Valley Country Club:

It is with a heavy heart that I will be resigning as the Assistant Golf Professional at Paradise Valley Country Club effective immediately. I have been presented, and have accepted, an opportunity to further my career inside of the golf world as the Head Golf Professional at Riverton Country Club in Riverton, Wyoming.

This decision was not easy and definitely not a decision taken lightly. Paradise Valley CC, its members, staff, and ownership made the decision even tougher. I owe PVCC a debt of gratitude as this Club, John Roth, Austin Ingram, and Bruce Johnston gave me an opportunity to get into the golf profession and this opportunity would never have happened without my time at PVCC.

John Roth and Austin Ingram, thank you for giving me an opportunity to come inside your business and allowing me to learn how to operate inside this great organization. You allowed me to come in with some new ideas and let me be a leader inside your organization.

Bruce Johnston, my dreams are coming true because of you. You brought me in, and taught me how to be a pro's pro. You invested in me and it is something that I will always remember, Having you as a mentor is something that I hold near and dear to me and I will continue to lean on you for that mentorship.

With a reciprocal with Riverton Country Club, I hope to see many of you and would love to have you come out and play. I will be taking so many things that I have learned here to my new club. I will always give credit to this great club for giving me the start I needed.

Michael T Neuman

Snowflakes are one of nature's most fragile things, but just look what they can do when they stick together
